## Material & Function

### Carbon protector

Ergonomic shape for comfort and high protection.

### TPR protection

Flexible rubber protection.

### Foam protector

Reducing the impact when hitting the ground.

### Side protector

Protects the wrist bone from impact.

### Vented leather

Breathable and durable perforated leather.

### Air through mesh

Breathable and elastic light weight mesh.

### Action panel

Placed on for mobility.

Fixing the inner liner with a patented adhesive tape. Almost one layer fitting and superior grip along finger-tip areas are achieved.

### Smart phone compatible

Touchscreen friendly material on finger-tips of thumb and index finger.

※ Function differs from each models. ※ Smart phone compatible does not guarantee to work on every touchscreens or model.
