COOL RIDE

RS TAICHI Original material **T-DRYFIT** providing for keeping comfort to quick moisture wicking and quick dry.

Heat of vaporization helps to maintain body temperature. Due to wearing mesh jacket or ventilation works, feel comfort even hot summer.

T-DRYFIT ドライ、サラサラ

T-DRY FIT yarn absorbs moisture better than ordinary polyester yarns. Absorbs sweat and keeps it away from the skin. Dries fast and prevents the "sticky" feel. The secret of this function is in its unique shaped filament.

Dries 1.3 times quicker than previous product.

CAUTION

- Stop use and ask a doctor if new symptoms occur or feel abnormality to skin.
- RS TAICHI INC, cannot guarantee, in any way whatsoever, the validity of the information found here.
